

12th Annual ABA Donor Conference

On Construction Business Opportunities in Afghanistan

March, 2020

Kabul, Afghanistan

INFORMATION NOTE FOR PARTICIPANTS

Conference Concept

Afghanistan Builders Association (ABA) is honored to organize the Donor Conference (Construction Business Opportunities) on **March, 2020** in Kabul, Afghanistan.

The upcoming Annual Conference is a tremendous opportunity for GIROA, International donors and the people of Afghanistan. This conference will help grow the industrial base that GIROA and international donors rely upon to build and maintain its strategic infrastructure. Additionally, a robust industrial base leads to increased bid competition and thus better value to the GIROA and donors. It's aimed to present projects and business opportunities in Afghanistan and inform the Afghan Contractors regarding the Fiscal Year 2020 Projects potentials in different construction sectors in Afghanistan and it would be the largest gathering of donors & contractors in Afghanistan.

The ABA Construction Conference would be attended by high ranking official from Afghanistan and International delegates, **USAID, USACE-TAA, CSTC-A CJ-ENG, MOD-CPMD,**

MOI-FD, MUDL, MoEW, MoPW, NPA, KM, NGOs, World Bank, Asian Development Bank, Agha Khan Foundation, Russia Embassy Representatives, Turkey Embassy Representatives, Iran Embassy Representatives and other government and private sector representatives.

The opportunities will be discussed in plenary sessions in order to explore the tremendous construction opportunities and participants can participate in B2B Meetings with their peers and counterparts through pre-scheduled meetings and for that you can contact our focal points to get more information on who will participate at the event in order to make informed decision on who you would benefit from meeting with.

ABA, representing the private sector especially construction sector, also committed to contribute in introducing the construction sector, promoting the opportunities and informing Afghanistan construction sector to attract the national and international donors.

We hope that this event will create unique opportunities for Afghan construction companies and international donors who wish to do businesses in Afghanistan's growing and untapped market.

Date and Venue:
